General Information Do not leave the victim unattended. Move out of dangerous area. Immediately remove all soiled and contaminated clothing. If you feel unwell, seek medical advice. Never give anything by mouth to an unconscious person.

Inhalation Move to fresh air. If breathing is difficult, give oxygen. If not breathing, give artificial respiration. Seek medical attention if irritation persists.

Ingestion Do NOT induce vomiting. Rinse mouth with water.

Skin contact Wash off immediately with soap and plenty of water. Seek medical attention if irritation occurs.

Eye contact Remove contact lenses. Rinse thoroughly with plenty of water for at least 15 minutes, lift eyelids occasionally. Get prompt medical attention.

Indication of any immediate medical attention and special treatment needed Not applicable.

5. FIRE-FIGHTING MEASURES

Suitable extinguishing media Water. Foam. Dry powder.

Unsuitable extinguishing media Full water jet.

Specific hazards Dust can form an explosive mixture in air.

Special protective equipment In the event of fire and/or explosion do not breathe fumes. Use extinguishing media

for fire-fighters appropriate to surrounding fire. Do not allow run-off from fire fighting to enter drains or water courses. Dike and collect water used to fight fire. Fight fire with normal precautions from a reasonable distance. As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

6. ACCIDENTAL RELEASE MEASURES

Personal precautions, protective equipment and emergency procedures Use personal protection recommended in Section 8.

Methods and materials for containment and cleaning up Absorb or cover with dry earth, sand or other non-combustible material and transfer to containers.

7. HANDLING AND STORAGE

Precautions for safe handling Wash hands after handling the product. Do not eat, drink or smoke when using this product. Remove contaminated clothing and protective equipment before entering eating areas. Keep away from food, beverages, and feed. Keep in original container.
